THE ANATOMY OF OUR LED LAMPS

Enclosed Fitting Safe
Up to 50°C ambient

Pretested Lamps
Clear cover protects LED

**Dual Stage
MOV Protection**
safe from common surges

Soft Start

**Dynamic Temp
Control**
70,000 hour fans

Potted Driver

Protects electronics against moisture and vibration

CE Approved

LM-80

Best Quality LED Chips
Certified with 80+ CRI

Conformally Coated Electronics
able to withstand humid environments

Particle Protection

Universal Mount
retrofits can be
mounted base up,
down or horizontal

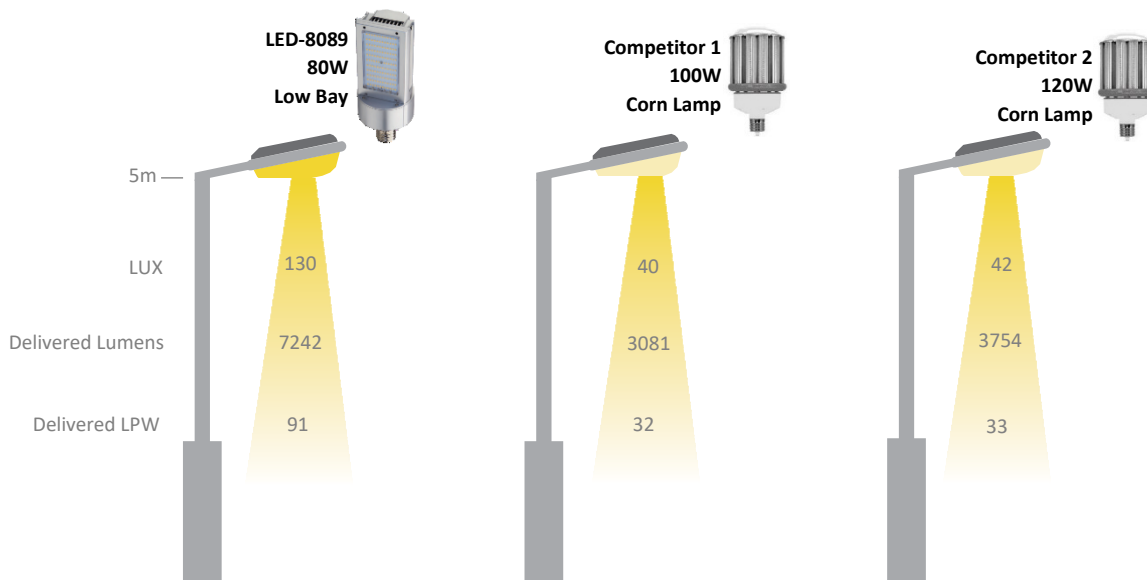

Pretested Drivers

burnt in 3 times before shipping to ensure quality

3 times the lux in a low bay or floodlight

Our Comparison Shows.....There IS No Comparison!

Over 2,000,000 lamps installed worldwide
